## CHINEE HANGER CO., LTD.

### HANGER OEM/ODM SERVICES,BEST PRICE AND QUALITY

Chinee Hanger Co., Ltd. is a subsidiary of CHINEE GROUP CO., LIMITED, specializing in the design, production, and sales of high-quality hangers. We are dedicated to providing practical, durable, and stylish hanging solutions for various garments, aiming to enhance the organization and presentation of wardrobes and retail displays worldwide. Our diverse product portfolio includes Acrylic Hangers, Metal Hangers, Plastic Hangers, Stainless Hangers, Velvet Hangers, and Wooden Hangers, catering to a wide range of residential, commercial, and retail needs.

Backed by a professional R&D team and a rigorous quality control system, Chinee Hanger Co., Ltd. integrates innovation and craftsmanship into every hanger we produce. Our products are designed with functionality, aesthetics, and durability in mind, utilizing premium materials that comply with international environmental and safety standards.

We integrate design, research and development, manufacturing, sales, and after-sales service into a comprehensive operational system. Equipped with advanced production equipment and industry-leading technologies, our modern facilities include a dedicated design center, quality inspection center, and multiple specialized production lines. This enables us to ensure exceptional product quality, high production efficiency, and fast response to market demands.

Since our establishment, we have adhered to the business philosophy of “quality first, customer-centered, innovation-driven.” Our products are well-received in both domestic and international markets, with exports to many countries and regions. We actively participate in major global exhibitions and continue to expand our market presence through strategic partnerships and multi-channel sales networks.

Looking ahead, Chinee Hanger Co., Ltd. remains committed to providing superior hanger solutions that blend practicality and style. We aspire to become a globally trusted brand in the hanger industry, creating lasting value with our partners and clients worldwide.

# Frequently Asked Questions

We will provide you with the best service and answer all your questions.

**Q: What types of hangers does Chinee Hanger Co., Ltd. offer?**

A: We offer a wide range of high-quality garment hangers, including Acrylic Hangers, Metal Hangers, Plastic Hangers, Stainless Hangers, Velvet Hangers, and Wooden Hangers. Our products are designed for durability, functionality, and aesthetics—perfect for both residential and commercial use.

**Q: Can your hangers be customized?**

A: Yes, we provide customization services to meet specific customer needs. Options include hanger size, shape, color, logo printing, hook type, and material, allowing us to support various branding, display, and storage requirements.

**Q: Do your products meet international quality standards?**

A: Absolutely. All our hangers undergo strict quality inspections and fully comply with international safety, durability, and environmental standards. We are committed to delivering hangers that are safe, eco-friendly, and built to last.

**Q: Where are your products manufactured?**

A: Our products are manufactured in our state-of-the-art production facilities located in an international-standard industrial park, supported by a complete supply chain and advanced equipment.

**Q: What materials are used in your hangers?**

A: We use premium and environmentally friendly materials, including durable plastics, stainless steel, high-quality metals, solid wood, and non-slip velvet. Each material is selected to ensure strength, longevity, and garment protection.

**Q: Do you provide after-sales support?**

A: Yes, we offer reliable after-sales support, including assistance with product use, replacement for defective items, and responsive customer service to ensure client satisfaction.

**Q: Are your products suitable for overseas markets?**

A: Yes, our hangers are exported to many countries and regions worldwide. Designed to meet international standards and market preferences, our products are widely used in homes, hotels, fashion retailers, and showrooms around the globe.
